Zurich, 16 February 2010

Travelling Fellowship Denmark – spring 2010

Dear Presidents,

As you probably know, EFORT is organising each year two travelling fellowships. The spring fellowship 2010 will be held in Denmark from **16 to 22 May 2010** and includes the cities of Aarhus, Vejle, Odense and Copenhagen. As an exception also international societies have now the chance to nominate a candidate for this spring fellowship. EFORT and the Danish Orthopaedic Society appreciate your feedback and potential nomination **by 01 March 2010 at the latest.**

We would appreciate if you sent us her/his full contact information and ask her/him to complete the enclosed master CV (Curriculum Vitae).

Attached to this letter you will find the scientific programme including all further information regarding accommodation, social events, meeting points, etc.

The former travelling fellowships were very appreciated by all participating fellows. We think that it is a great opportunity for our young colleagues to create new personal bonds and to improve mutual understanding, collaboration as well as unity of all national associations of orthopaedics and traumatology in Europe and all over the world.

In our point of view this is an excellent chance for the fellows and it is our duty to support them.

Please do not hesitate to contact us directly, if you need further information. We look forward to an excellent travelling fellowship and would like to thank the Danish Orthopaedic Society (DOS) and especially Prof. Per Kjaersgaard-Andersen, President of DOS for organising the EFORT spring travelling fellowship 2010.

PRESIDENT
Prof. Dr. Miklós Szendrői
