

EBRAHIM M. ALMANA & BROS. CO.
Hospital Supply & Medical Equipment Division

Zimmer, Ltd.

Zimmer is a worldwide leader in joint replacement solutions for knee and hip pains and provides comprehensive spine care solutions for acute and chronic pain. The company also provides a broad range of trauma, dental implants and orthopedic surgical products. Founded in 1927, Zimmer is committed to providing effective techniques in hip replacement and knee replacement for orthopedic surgeons who restore mobility and relieve the pain of osteoarthritis and traumatic injuries. Our minimally invasive knee replacement systems and our wide range of related products and services make us valuable healthcare providers in more than 80 countries.

Ebrahim M. Almana & Bros. Co., Ltd. (EMA)

Zimmer Ltd. is represented by EMA in the Kingdom on exclusive basis; ours is one of the front runners in the healthcare industry.

Our Mission

We wish to assure you that, it is our one effort to please our patrons and to give them the best value we possibly can, consistent with first class merchandise. A satisfied customer is the best advertisement we can have. But if now or anytime in the future you feel that you have any cause for dissatisfaction, let us hear from you at once and we will go to any reasonable length to make it right.

We have helpful, knowledgeable staff ready to answer any questions you may have. Please don't hesitate to call us. At EMA, our goal is to advance the health and well-being of our clients through a wide selection of hospital medical products. We shall be grateful if you will place your inquiries to us for any required materials. We are here to help you so please do not hesitate to contact us regarding Zimmer products or any of your requirements.
